Dr. W. Deming Lewis
President
Lehigh University
Bethlehem, Pa. 18016

Dear Dr. Lewis:

Attached is correspondence received from our Washington, D.C., FCC counsel advising that Lehigh University had been granted their construction permit for the FM station.

I am pleased that we were able to play a role in the amicable resolution of this situation between the Department of Education and Lehigh University.

Best personal regards,

Shel

Sheldon P. Siegel
Executive Vice President &
General Manager
